TOP GUN

PRAGUE

Experience some of the most awesome small-arms from the former Soviet Union and see if your group has got what it takes to be Red Army troopers.

We've all seen the old war films but what does it really feel like to let rip with an AK47, or to squeeze the trigger on a military sniper rifle powerful enough to penetrate brick walls at half a mile!

You will also each get a chance to shoot your own Top Gun Prague "Gun Gremlin" T-shirt full of holes as a truly unique souvenir of this top of the range event.
